Sir,

With reference to your letter No.D 8513/GG.28-27-7 dated 18th February 1928 enclosing a bill for Rs.175-1-0 for electric energy supplied to the ornamental lamps installed around the old Public Offices and Cubbon Statue, I have the honour to state that it is not possible to meet the charges from the Gardens Budget. I have discussed the matter with the Dewan and I find that it has already been decided as in case of the lights around the Band-Stand, and that all these additional lights into the Cubbon Park may be paid from the General Revenues and therefore these extra lights and also of future additions will have to be paid from the same source.

2. Extra lights have been in the meantime also installed around His Highness' Statue and further lights will have to be put up from the Seshadri Memorial Hall to the Cenotaph Junction and between the King and Queen Statues. If desired, I shall make an estimate on the basis of the charges made for the present additions and submit the same to Government. Otherwise the additional bills as they come in may simply be charged to General Revenues as already indicated.
